Window Transaction Survey

Window Transaction Survey

PO Name: CANEHILL ZIP+4: 72717 - 9998 Completed By: TANYA BOYLES
 Survey Period: 05/07/2011 through 05/20/2011

Record the number of retail window transactions in the appropriate columns for each day. Consider a sale of stamps as one transaction. A sale of stamps and a money order is two transactions. Do not record the handing out over the counter of box mail, general delivery mail, or carrier mail. Instead of this worksheet, you may use PS Form 2007-A, Window Transaction Record; PS Form 2007-B, Window Transaction Conversion; and PS Form 2007-C, Window Transaction Survey. To obtain the average daily number of transactions, divide the total number of transactions during the survey period by the number of days in the survey. The allowable time per transaction is shown in each column in minutes. To determine the average daily workload in minutes, multiply the number of transactions in each column by the time conversion for that column, total the time conversions for all columns, and divide the total number of minutes by the number of days in the survey period.

In 1834, the Cumberland Presbyterians established the first collegiate learning institute in Arkansas, naming it the Cane Hill School, after a nearby geological feature. [3] The current Post Office was opened in 1839 and was originally unnamed. In 1843, it was named Boonsboro. and the town maintained this name throughout the American Civil War. The year of 1862 brought the Battle of Cane Hill, named after the most prominent geological feature in the area. In 1897, the Cumberland Presbyterian Church considered Cane Hill College[4] as the starting point for their "state" college. However, due to the nearby competition from Arkansas Industrial University, the decline of Cane Hill as a population center and its remote location, the Synod decided to open Arkansas Cumberland College[5] in Clarksville, Arkansas, a more centralized location. In 1891, Cane Hill College closed its doors permanently. In 1901, the community's name was changed to the current usage, that of Canehill. [2]

Enclosures

June 9, 2011

Dear Postal Customer:

The U.S. Postal Service would like your opinion concerning a possible change in the way your postal service is provided. The recommended change is tentative and will not lead to a formal proposal unless we conclude that it will provide a maximum degree of regular and effective service.

A review of the business activities of the Canehill Post Office revealed the office's workload has declined. This reduced workload suggests the maintenance of an independent office at Canehill may not be warranted.

We are studying the feasibility of providing postal services from the Lincoln Post Office. Post Office box service is also available at this location.

In order to provide feedback regarding this proposed change, please return the enclosed questionnaire by using the pre-addressed envelope provided.

Postal representatives will be at the Old Canehill College Building on June 22, 2011, from 5:30 pm – 6:30 pm to answer questions and provide information about our service. The Old Canehill College Building is located at 14219 College Rd in Canehill. Questionnaires will be accepted through the date of the meeting, June 22.

Sincerely,

A handwritten signature in cursive script that reads "Jackie M. Stubitsch".

POST OFFICE ON WHEELS SERVICES AVAILABLE FROM RURAL AND HIGHWAY CONTRACT ROUTE CARRIERS

You can eliminate almost all trips to the Post Office, because doing business with the Postal Service is as close as your mailbox. The carrier can provide virtually all postal services to you, and most transactions do not require meeting the carrier at the mailbox. Some of the most frequently used services are:

MAILING PACKAGES

Carriers will accept packages at the mailbox without a customer being present, provided the postage is fully prepaid, and the customer is known to reside or conduct business at that collection point. The package **MUST** have a matching return address that is the same as the collection point. If postage has not been applied, estimate the amount of postage needed and leave the money in the mailbox. If insurance is desired, the value of the contents must be specified. The carrier will take the package to the Post Office, and it will be weighed to determine the appropriate rate. The package will be mailed that same day. The carrier will leave the customer's change and insurance receipt, if appropriate, in the mailbox on the next delivery day.

PURCHASING STAMPS BY MAIL

The Stamps by Mail program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using Form 3227-R, *Stamp Purchase Order (Rural)*, available from the Post Office or the carrier. Commemorative stamps and stamp-collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the United States Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the Post Office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as Certified, Registered, Express Mail, Delivery Confirmation, Signature Confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the Post Office during their absence. Upon return, the customer asks the Post Office to resume delivery.

06/27/2011

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Canehill Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about having to travel to another Post Office for service. Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.
- You expressed a concern about the loss of the Communities' identity. A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the Community name and ZIP Code in addresses.
- You expressed a concern about senior citizens. Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.
- You expressed a concern about the loss of a gathering place and an information center. Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.
- You expressed a concern about the security of mail. Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

If it is determined that a discontinuance of the Canehill Post Office should be pursued, a formal proposal will be posted in the Lincoln Post Office and Canehill Post Office at a later date. If you have additional questions or comments, please feel free to contact Jackie Stubitsch at (501) 228-4171.

Sincerely,

I don't really believe the economy can allow post office to stay open when it probably can do without it. I hardly ever see anyone there and the majority of the people this far out pass other postal services elsewhere that's just as convenient.

Where I go doesn't matter. Can Hill always call when my medicines (~~Edi~~ insulin) comes in. Larger post offices don't give that care. Even 1/2 days would benefit the community & remove employee benefit issues.

I'm 88 years of age, have lived in this historic community 69 years, and it (the post office) just holds the community together. I can still drive to Caneyhill Post office and it would be inconvenient to drive to Lincoln or get a driver to take me. There are other ways to cut expenses.

Please include any additional comments below: THE KITE FESTIVAL'S IDENTITY IS CANEHILL

THAT'S WHY I HAVE A CANEHILL PO BOX. WHY NOT JUST ELIMINATE SATURDAY DELIVERY. HOW ABOUT DOING SOMETHING SO THE CANEHILL PO LOOKS LIKE IT'S OPEN - LIKE A SIGN? I WOULD RATHER SEE TOP HEAVY MANAGEMENT ELIMINATED BEFORE CLOSING RURAL POST OFFICES. LAST YEAR THE LUNAR NEW YEAR STAMPS WERE SELLING LIKE THE PROVERBIAL HOT CAKES AND THE CANE HILL PO COULDN'T GET ANY MORE. PEOPLE WANT COILS AND THEY NEVER HAVE ANY. ONE SIZE DOES NOT FIT ALL.

I THINK THAT USPS IS BEING VERY ARBITRARY IN THEIR DECISION - MAKING HERE AND NEEDS TO BE MORE CREATIVE - CAN-DO. LINCOLN IS THE LAST PLACE I WOULD GO FOR MY POSTAL NEEDS. THOSE PEOPLE ARE RUDE.

I have used this post office since 1964. I think that you get really good service here. I do not care to use the Post Office at Lincoln. In Canehill they seem to care for you in helping you. Going to Lincoln would be out of the way for me and a lot of other people that pickup their mail on the way home for work.

Thank You

I personally do not have the opportunity to do business at the Canehill PO. because of their hours of operation. In years past, I was unemployed and used the Canehill Branch on a weekly basis. I think that individuals that do not or can not make it in to "town" should have a branch closer to them. Although, the services your carrier will be there is appealing. Thanks

Please include any additional comments below:

My feelings are if you discontinue service @ Canehill, most customers who have PO Boxes at this location will not choose to have a PO Box @ Canehill due to the inconvenience & extra cost of gas to drive the extra distance.

As a result of this, the rural mail carrier is going to have more delivery stops, etc which will increase your expenses for more fuel & employee compensation.

The Lincoln P.O. is very INconvenient & when I do find myself there, the doors are locked & there's no stamp machine or anything. There's NO reason for that. They should be open each day, all day till 5pm. Also, for a small community like ~~Barrett~~ Canehill, losing our P.O. is literally losing our identity! BAD idea

Please include any additional comments below: CLOSING THE CANEHILL PO IS A BAD IDEA. PERHAPS THE REVENUE WOULD NOT HAVE DECLINED IF THEY WERE ALLOWED TO PROVIDE SERVICES PEOPLE ACTUALLY WANTED LIKE THE COMMEMORATIVE STAMPS CUSTOMERS WANT INSTEAD OF ONE NOON BUYS.

FROM WHAT I'VE READ CLOSING OFFICES WOULD ONLY SAVE A VERY SMALL AMOUNT OF MONEY. I WOULD RATHER SEE SATURDAY DELIVERY ELIMINATED.

LOOKING AT THE LARGER PICTURE WHY NOT ELIMINATE THE RURAL ROUTES? IT IS NOT COST EFFECTIVE OR ECOLOGICALLY SOUND TO HAVE CARRIERS DRIVING THESE SOMETIMES HAZARDOUS ROADS FOR A FEW PIECES OF MAIL. MOST PEOPLE WHO ARE ON THE ROUTES PASS A POST OFFICE ALMOST EVERY DAY AND COULD EASILY PICK UP MAIL. MANY HOUSING TRACTS ELIMINATED DOOR DELIVERY FOR CLUSTERED BOXES.

IF THERE IS SOMEONE WHO IS ABSOLUTELY UNABLE TO GET OUT PERHAPS ARRANGEMENTS COULD BE MADE FOR DELIVERY A FEW TIMES A WEEK.

LASTLY - THE POST OFFICE IS MORE THAN A MAIL SERVICE - PEOPLE COME IN TO ASK DIRECTIONS - ASK ABOUT FRIENDS - FIND OUT ABOUT COMMUNITY EVENTS.

FIND SOMEPLACE ELSE TO SAVE MONEY - LIKE ELIMINATING ADMINISTRATIVE & MANAGEMENT POSITIONS

I hate to see the Cane Hill Post Office close because it's the last business left in Cane Hill but I work away from here and don't use the post office here. It is closed by the time I come thru Cane Hill. The older people in the Area use the store there. Our mail comes from the route from Cane Hill Post Office and I mail things from our mail Box at our address.

Caneyhill is a historic town. It is fading away. The first AR college is located in Caneyhill, if the post office closes there will be nothing left of a historic place. I hope it does not close.

Please include any additional comments below:

1. We had a P.O. BOX for over 25 years, don't want a mailbox on the highway. It is too far from the house.
2. The USPS should deliver mail only 5 days/week. It would not only save BIG financially, but also save BIG in preserving precious oil (gasoline)... because this is a BIG country.
3. We just hate the thought of changing our address. (We send out close to 200 Christmas cards alone, but... that's personal. Changing insurance - pension, bank - and other accounts is of primary importance + can take "forever".)
4. going back to #2. It would be OK with the USPS to rent a box "out of the way" + get the mail once a week. Why can't pe be far off on a route be more than happy to get their mail 5x/a week??

The Post office is my main source of mail - It is close to our home and provides us with our Postal needs. To go to Morrow would be way out of our way. To go to Lincoln you never know who's there and the service in Lincoln is horrible and way out of my way. Prairie Grove is OK but that is many miles from home. Also Lincoln Post Office has returned my mail without mailing it out for as little as a penny stamp. That was a bill, I would have gladly run in to pay that penny not have a bill returned and late to the mail destination.

I am disabled and totally dependant on the \$674 disability check the government sends me each month. Can Hill Post Office is only a few miles away, which really helps on keeping gas expense down... if I have to wait to do Post Office transactions until I can find ride to another surrounding town great: Will not only be in convenience but the P. Jarvisville. We live a few miles south of Morrow
and drive through main road, right past the Morrow P.O. The

Schools, play ball teams there, and my parents & brothers live there.
I'll use Lincoln when I'm there. I work in Prairie Grove & travel

Postal Service Customer Questionnaire Analysis

Questionnaires were distributed to all delivery customers of the CANEHILL Post Office on 08/09/2011. Additionally, during the survey period, questionnaires were available at the CANEHILL Post Office to walk-in retail customers.

1.	Number of Questionnaires	
	Total Questionnaires distributed	379
	Favorable to proposal	15
	Unfavorable to proposal	49
	Expressing no opinion	30
	Total questionnaires received	94

Postal Concerns

The following postal concerns were expressed

1. Concern (UnFavorable):

Customers were concerned about having to travel to another Post Office for service.

Response:

Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.

2. Concern (UnFavorable):

Customers were concerned about mail security.

Response:

Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

3. Concern (UnFavorable):

Customers were concerned about senior citizens.

Response:

Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

Nonpostal Concerns

The following nonpostal concerns were expressed

1. Concern (UnFavorable):

Customers expressed concern for loss of community identity.

Response:

A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the Community name and ZIP Code in addresses.

2. Concern (UnFavorable):

Customers were concerned about the loss of a gathering place and an information center.

Response:

Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.

Postal Service Customer Community Meeting Analysis

(categorize customer concerns as postal or nonpostal and provide the Postal Service response for each.)

Postal Concerns

1. Concern (UnFavorable):
Customers were concerned about mail security.
Response:
Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.
2. Concern (UnFavorable):
Customers were concerned about senior citizens.
Response:
Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

Nonpostal Concerns

1. Concern (UnFavorable):
Customers expressed concern for loss of community identity.
Response:
A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the Community name and ZIP Code in addresses.
2. Concern (UnFavorable):
Customers were concerned about the loss of a gathering place and an information center.
Response:
Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.
3. Concern (UnFavorable):
Customers felt the loss of a Post Office would have a detrimental effect on the business community.
Response:
Businesses generally require regular and effective postal services, and these will always be provided to the community. Since the suspension of service, there has been no indication that the business community has been adversely affected. Questionnaire responses revealed that customers will continue to use local businesses if the Post Office is discontinued.

As the Postal Service manager responsible for all Post Offices in your area, I would like your opinion concerning a possible change in the way postal services are provided. Our tentative plans will only lead to a formal proposal if we are satisfied that a maximum degree of regular and effective service can be provided.

This office is vacant and earns 1.3 hrs per day. Canehill is an unincorporated community in Cane Hill Township, Washington County, Arkansas, United States. Canehill is on Arkansas Highway 45 about 25 miles (40 km) southwest of Fayetteville and 7 miles (11 km) east of the Oklahoma border. Considered a postal designation (ZIP code 72717), the population of the ZCTA was 847[1] at the 2000 census. It is part of the Fayetteville-Springdale-Rogers, AR-MO Metropolitan Statistical Area.

If you would like an opportunity to discuss alternatives with us, a postal representative will be at Old Canehill College Building on 06/22/2011 from 5:30 to 6:30 to answer questions and provide information about our service.

If you have any questions, you may contact Jackie Stubitsch at (501) 228-4171.

Thank you for your assistance.

Sincerely,

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is proposing to close the Canehill, AR Post Office and provide delivery and retail services by highway contract route service under the administrative responsibility of the Lincoln Post Office, located four miles away.

The postmaster position became vacant when the postmaster passed away on October 16, 2009. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office is being studied for possible closing or consolidation due to the following reasons: This office is vacant and earns 1.3 hrs per day. Canehill is an unincorporated community in Cane Hill Township, Washington County, Arkansas, United States. Canehill is on Arkansas Highway 45 about 25 miles (40 km) southwest of Fayetteville and 7 miles (11 km) east of the Oklahoma border. Considered a postal designation (ZIP code 72717), the population of the ZCTA was 847[1] at the 2000 census. It is part of the Fayetteville-Springdale-Rogers, AR-MO Metropolitan Statistical Area.

The Canehill Post Office, an EAS-55 level, provides service from 08:30 - 15:00 Monday - Friday, 08:30 - 12:00 Saturday and lobby hours of 24 hrs on Monday - Friday and 24 hrs on Saturday to 191 post office box or general delivery customers and 329 delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged three transaction(s) accounting for three minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by highway contract route service. Office receipts for the last 3 years were: \$15,318 (40 revenue units) in FY 2008; \$10,284 (27 revenue units) in FY 2009; and \$7,905 (21 revenue units) in FY 2010. There were no permit mailer(s) or postage meter customer(s).

On June 22, 2011, representatives from the Postal Service were available at Old Canehill College Building to answer questions and provide information to customers. 44 customer(s) attended the meeting.

On June 09, 2011, 379 questionnaires were distributed to delivery customers of the Canehill Post Office. Questionnaires were also available over the counter for retail customers at the Canehill Post Office. 89 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 14 favorable, 46 unfavorable, and 29 expressed no opinion.

One congressional inquiry was received on June 06, 2011.

If this proposal is implemented, delivery and retail services will be provided by the Lincoln Post Office, an EAS-18 level office. Window service hours at the Lincoln Post Office are from 9:00 to 4:00, Monday through Friday, and 8:30 to 10:30 on Saturday. There are 571 post office boxes available.

The following concerns were expressed from questionnaires, the community meeting, from customer letters, on the petition, and from the congressional inquiry:

- | | |
|---|--|
| <p>1. Concern:</p> <p>Response:</p> | <p>Customers were concerned about having to travel to another Post Office for service.</p> <p>Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.</p> |
| <p>2. Concern:</p> <p>Response:</p> | <p>Customers were concerned about mail security.</p> <p>Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.</p> |
| <p>3. Concern:</p> <p>Response:</p> | <p>Customers were concerned about senior citizens.</p> <p>Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.</p> |

Some advantages of the proposal are:

1. The rural or contract delivery carrier may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBUs can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet and a postmaster position in the community. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

Taking all available information into consideration, the Postal Service concludes this proposal will provide a maximum degree of effective and regular postal services to the community.

II. EFFECT ON COMMUNITY

Canehill is an unincorporated community located in Washington County. The community is administered politically by Washington County. Police protection is provided by the Washington County. Fire protection is provided by the Lincoln Fire Dept. The community is comprised of self-employed, farmers, and those who commute to work at nearby communities and work in local businesses.

Businesses and organizations include: Canehill Pres Church, Canehill Car Lot Canehill Kite Festival AEMTA Vendors . Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Canehill Post Office will be available at the Lincoln Post Office. Government forms normally provided by the Post Office will also be available at the Lincoln Post Office or by contacting your local government agency.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

1. **Concern:** Customers expressed concern for loss of community identity.
Response: A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the Community name and ZIP Code in addresses.
2. **Concern:** Customers were concerned about the loss of a gathering place and an information center.
Response: Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.
3. **Concern:** Customers felt the loss of a Post Office would have a detrimental effect on the business community.
Response: Businesses generally require regular and effective postal services, and these will always be provided to the community. Since the suspension of service, there has been no indication that the business community has been adversely affected. Questionnaire responses revealed that customers will continue to use local businesses if the Post Office is discontinued.

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this proposal will not adversely affect the community.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster passed away on October 16, 2009. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. Since the postmaster vacancy an OIC has been installed to operate the office.

IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 36,500 with a breakdown as follows:

Postmaster Salary (EAS-55, No COLA)	\$ 23,026
Fringe Benefits @ 33.5%	\$ 7,714
Annual Lease Costs	<u>+ \$ 5,760</u>
Total Annual Costs	\$ 36,500
Less Annual Cost of Replacement Service	<u>- \$ 0</u>
Total Annual Savings	<u>\$ 36,500</u>

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

The Postal Service is proposing to close the Canehill, AR Post Office and provide delivery and retail services by highway contract route service under the administrative responsibility of the Lincoln Post Office, located four miles away.

The postmaster passed away on October 16, 2009. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. Post office workload has declined. Effective and regular service will continue to be provided by highway contract route service.

The Canehill Post Office provided delivery and retail service to 191 PO Box or general delivery customers and 329 delivery route customers. The daily retail window transactions averaged three. There are no permit mailers or postage meter customers.

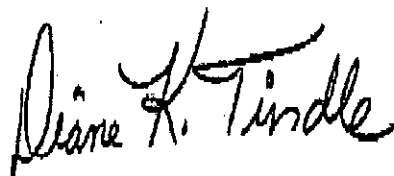

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a post office for service. The Postal Service will save an estimated \$36,500 annually. A disadvantage to some may be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with a rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this proposal is warranted.

VII. NOTICES

- A. Support Materials. Copies of all materials upon which this proposal is based are available for public inspection at the Canehill Post Office and Lincoln Post Office during normal office hours.
- B. This is a proposal. It is not a final determination to close this post office. If a final determination is made to close this post office, after public comments on this proposal are received and taken into account, a notice of that final determination will be posted in this office.

The final determination will contain instructions on how affected customers may appeal that decision to the Postal Regulatory Commission. Any such appeal must be received by the commission within 30 days of the posting of the final determination.

Canehill is on Arkansas Highway 45 about 25 miles (40 km) southwest of Fayetteville and 7 miles (11 km) east of the Oklahoma border. Considered a postal designation (ZIP code 72717), the population of the ZCTA was 847[1] at the 2000 census. It is part of the Fayetteville-Springdale-Rogers, AR-MO Metropolitan Statistical Area.

The Canehill Post Office, an EAS-55 level, provides service from 08:30 - 15:00 Monday - Friday, 08:30 - 12:00 Saturday and lobby hours of 24 hrs on Monday - Friday and 24 hrs on Saturday to 191 post office box or general delivery customers and 329 delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged three transaction(s) accounting for three minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by highway contract route service. Office receipts for the last 3 years were: \$15,318 (40 revenue units) in FY 2008; \$10,284 (27 revenue units) in FY 2009; and \$7,905 (21 revenue units) in FY 2010. There were no permit mailer(s) or postage meter customer(s).

On June 22, 2011, representatives from the Postal Service were available at Old Canehill College Building to answer questions and provide information to customers. 44 customer(s) attended the meeting.

On June 09, 2011, 379 questionnaires were distributed to delivery customers of the Canehill Post Office. Questionnaires were also available over the counter for retail customers at the Canehill Post Office. 89 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 14 favorable, 46 unfavorable, and 29 expressed no opinion.

One congressional inquiry was received on June 06, 2011.

If this proposal is implemented, delivery and retail services will be provided by the Lincoln Post Office, an EAS-18 level office. Window service hours at the Lincoln Post Office are from 9:00 to 4:00, Monday through Friday, and 8:30 to 10:30 on Saturday. There are 571 post office boxes available.

The following concerns were expressed from questionnaires, the community meeting, from customer letters, on the petition, and from the congressional inquiry:

1. **Concern:** Customers were concerned about having to travel to another Post Office for service.

Response: Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.
2. **Concern:** Customers were concerned about mail security.

Response: Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.
3. **Concern:** Customers were concerned about senior citizens.

Response: Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

Some advantages of the proposal are:

1. The rural or contract delivery carrier may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBUs can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet and a postmaster position in the community. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

Taking all available information into consideration, the Postal Service concludes this proposal will provide a maximum degree of effective and regular postal services to the community.

II. EFFECT ON COMMUNITY

Canehill is an unincorporated community located in Washington County. The community is administered politically by Washington County. Police protection is provided by the Washington County. Fire protection is provided by the Lincoln Fire Dept. The community is comprised of self-employed, farmers, and those who commute to work at nearby communities and work in local businesses.

Businesses and organizations include: Canehill Pres Church, Canehill Car Lot Canehill Kite Festival AEMTA Vendors. Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Canehill Post Office will be available at the Lincoln Post Office. Government forms normally provided by the Post Office will also be available at the Lincoln Post Office or by contacting your local government agency.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

1. **Concern:** Customers expressed concern for loss of community identity.
Response: A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the Community name and ZIP Code in addresses.
2. **Concern:** Customers were concerned about the loss of a gathering place and an information center.
Response: Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.
3. **Concern:** Customers felt the loss of a Post Office would have a detrimental effect on the business community.
Response: Businesses generally require regular and effective postal services, and these will always be provided to the community. Since the suspension of service, there has been no indication that the business community has been adversely affected. Questionnaire responses revealed that customers will continue to use local businesses if the Post Office is discontinued.

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this proposal will not adversely affect the community.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster passed away on October 16, 2009. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. Since the postmaster vacancy an OIC has been installed to operate the office.

IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 36,500 with a breakdown as follows:

Postmaster Salary (EAS-55, No COLA)	\$ 23,026
Fringe Benefits @ 33.5%	\$ 7,714
Annual Lease Costs	<u>+ \$ 5,760</u>
Total Annual Costs	\$ 36,500
Less Annual Cost of Replacement Service	<u>- \$ 0</u>
Total Annual Savings	<u>\$ 36,500</u>

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

The Postal Service is proposing to close the Canehill, AR Post Office and provide delivery and retail services by highway contract route service under the administrative responsibility of the Lincoln Post Office, located four miles away.

The postmaster passed away on October 16, 2009. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. Post office workload has declined. Effective and regular service will continue to be provided by highway contract route service.

The Canehill Post Office provided delivery and retail service to 191 PO Box or general delivery customers and 329 delivery route customers. The daily retail window transactions averaged three. There are no permit mailers or postage meter customers.

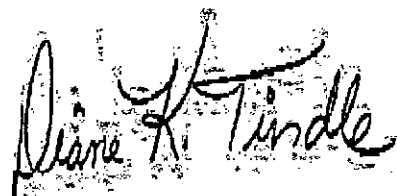

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a post office for service. The Postal Service will save an estimated \$36,500 annually. A disadvantage to some may be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with a rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this proposal is warranted.

VII. NOTICES

- A. Support Materials. Copies of all materials upon which this proposal is based are available for public inspection at the Canehill Post Office and Lincoln Post Office during normal office hours.
- B. This is a proposal. It is not a final determination to close this post office. If a final determination is made to close this post office, after public comments on this proposal are received and taken into account, a notice of that final determination will be posted in this office.

The final determination will contain instructions on how affected customers may appeal that decision to the Postal Regulatory Commission. Any such appeal must be received by the commission within 30 days of the posting of the final determination.

My name is Roy G. Rinehart. I live in the Cane Hill area and am a retired rural mail carrier. I carried mail for Route 1 Cane Hill, Route 1 Prairie Grove and Route 1 Lincoln. When 911 came into being all postal patrons were told to use their 911 address for mail delivery. The local telephone company printed these in the phone books which then became a reference source for addressing mail.

With the advent of automation, all mail with a Cane Hill address and Zip of 72717 was sent on the route. If the addressee had a Post Office box and no roadside box the mail went back to Lincoln as undeliverable if the item had a 911 physical address. Even though the items had a 72717 Zip Code this mail was not sent to Cane Hill for disposition, but summarily "returned to sender" by the Lincoln Post Office. This was the fate of hundreds of pieces of mail.

At one time the Postal Bulletin stated that if an employee knew where a piece of mail could be delivered to a customer it was delivered no matter what the address.

Many phone calls and complaints arose, but to no avail and some patrons were told to erect a mail box if they wanted their mail delivered in a timely manner. Coincidentally, this would credit the Lincoln Post Master and rural carrier with more stops, more mail to count and more revenue.

When the route was changed, the Cane Hill Post Office lost box customers and ceased to be an intermediate stop, thus losing more revenue for Cane Hill, but shifting revenue to Lincoln. "Follow the money trail" applies here and it has been the Lincoln Post Office's agenda at the expense of Cane Hill patrons. In the recent letter sent to Cane Hill postal patrons it mentioned a declining workload. It is painfully obvious why: evidently route stamp sales are also credited to Lincoln and not Cane Hill.

Since the retirement of Postmasters like Ruth Parker in Lincoln and Joe Parks in Prairie Grove people have complained that service is not what it was. Personnel do not seem interested in serving customers and going the extra mile. It would seem the primary goal is suffering through two more weeks and getting a pay check.

The new breed of postal authority prefers offices run in a Gestapo-like manner to assure everyone knows who the boss is. Perhaps this has spawned the violence which has erupted at various postal locations. It would seem modern management has lost touch with the caring customer service which has been the tradition of the Cane Hill Post Office.

I do not know if it is greed, hatefulness, lack of common sense, or automation, but USPS should have seen the writing on the wall. They spent millions on sorting equipment which now has little to sort when they should have fostered pride in a job well done and great customer service.

Hand-written, stamped mail may be fading, but there are still plenty of us old timers left who can read and write cursive and we don't think the Cane Hill Post Office should be closed for all the wrong reasons.

PROPOSAL TO CLOSE
THE CANEHILL, AR POST OFFICE
AND CONTINUE TO PROVIDE
SERVICE BY HIGHWAY CONTRACT ROUTE SERVICE
(REVISED)

DOCKET NUMBER 1356857 - 72717

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is proposing to close the Canehill, AR Post Office and provide delivery and retail services by highway contract route service under the administrative responsibility of the Lincoln Post Office, located four miles away.

The postmaster position became vacant when the postmaster passed away on October 16, 2009. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office is being studied for possible closing or consolidation due to the following reasons: This office is vacant and earns 1.3 hrs per day. Canehill is an unincorporated community in Cane Hill Township, Washington County, Arkansas, United States. Canehill is on Arkansas Highway 45 about 25 miles (40 km) southwest of Fayetteville and 7 miles (11 km) east of the Oklahoma border. Considered a postal designation (ZIP code 72717), the population of the ZCTA was 847[1] at the 2000 census. It is part of the Fayetteville-Springdale-Rogers, AR-MO Metropolitan Statistical Area.

The Canehill Post Office, an EAS-55 level, provides service from 08:30 - 15:00 Monday - Friday, 08:30 - 12:00 Saturday and lobby hours of 24 hrs on Monday - Friday and 24 hrs on Saturday to 191 post office box or general delivery customers and 329 delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged three transaction(s) accounting for three minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by highway contract route service. Office receipts for the last 3 years were: \$15,318 (40 revenue units) in FY 2008; \$10,284 (27 revenue units) in FY 2009; and \$7,905 (21 revenue units) in FY 2010. There were no permit mailer(s) or postage meter customer(s).

On June 22, 2011, representatives from the Postal Service were available at Old Canehill College Building to answer questions and provide information to customers. 44 customer(s) attended the meeting.

On June 09, 2011, 379 questionnaires were distributed to delivery customers of the Canehill Post Office. Questionnaires were also available over the counter for retail customers at the Canehill Post Office. 89 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 14 favorable, 46 unfavorable, and 29 expressed no opinion.

If this proposal is implemented, delivery and retail services will be provided by the Lincoln Post Office, an EAS-18 level office. Window service hours at the Lincoln Post Office are from 9:00 to 4:00, Monday through Friday, and 8:30 to 10:30 on Saturday. There are 571 post office boxes available.

The following concerns were expressed from questionnaires, the community meeting, from customer letters, on the petition, and from the congressional inquiry:

| <p>4. Concern:</p> <p>Response:</p> | <p>ramblings</p> <p>no address given</p> |

Some advantages of the proposal are:

1. The rural or contract delivery carrier may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBU's can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet and a postmaster position in the community. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

Taking all available information into consideration, the Postal Service concludes this proposal will provide a maximum degree of effective and regular postal services to the community.

II. EFFECT ON COMMUNITY

Canehill is an unincorporated community located in WASHINGTON County. The community is administered politically by Washington County. Police protection is provided by the Washington County. Fire protection is provided by the Lincoln Fire Dept. The community is comprised of self-employed, farmers, and those who commute to work at nearby communities and work in local businesses.

Businesses and organizations include: Canehill Pres Church, Canehill Car Lot Canehill Kite Festival AEMTA Vendors . Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Canehill Post Office will be available at the Lincoln Post Office. Government forms normally provided by the Post Office will also be available at the Lincoln Post Office or by contacting your local government agency.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this proposal will not adversely affect the community.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster passed away on October 16, 2009. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. Since the postmaster vacancy an OIC has been installed to operate the office.

IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 36,500 with a breakdown as follows:

Postmaster Salary (EAS-55, No COLA)	\$ 23,026
Fringe Benefits @ 33.5%	\$ 7,714
Annual Lease Costs	<u>+ \$ 5,760</u>
Total Annual Costs	\$ 36,500
Less Annual Cost of Replacement Service	<u>- \$ 0</u>
Total Annual Savings	<u>\$ 36,500</u>

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

The Postal Service is proposing to close the Canehill, AR Post Office and provide delivery and retail services by highway contract route service under the administrative responsibility of the Lincoln Post Office, located four miles away.

The postmaster passed away on October 16, 2009. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. Post office workload has declined. Effective and regular service will continue to be provided by highway contract route service.

The Canehill Post Office provided delivery and retail service to 191 PO Box or general delivery customers and 329 delivery route customers. The daily retail window transactions averaged three. There are no permit mailers or postage meter customers.

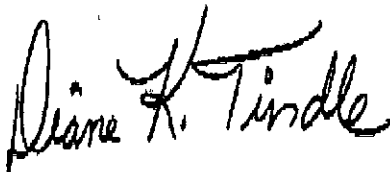

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a post office for service. The Postal Service will save an estimated \$36,500 annually. A disadvantage to some may be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with a rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this proposal is warranted.

VII. NOTICES

- A. Support Materials. Copies of all materials upon which this proposal is based are available for public inspection at the Lincoln Post Office during normal office hours.
- B. This is a proposal. It is not a final determination to close this post office. If a final determination is made to close this post office, after public comments on this proposal are received and taken into account, a notice of that final determination will be posted in this office.

The final determination will contain instructions on how affected customers may appeal that decision to the Postal Regulatory Commission. Any such appeal must be received by the commission within 30 days of the posting of the final determination.

FINAL DETERMINATION TO CLOSE
THE CANEHILL, AR POST OFFICE
AND CONTINUE TO PROVIDE
SERVICE BY HIGHWAY CONTRACT ROUTE SERVICE

DOCKET NUMBER 1358857 - 72717

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is issuing the final determination to close the Canehill, AR Post Office and provide delivery and retail services by highway contract route service under the administrative responsibility of the Lincoln Post Office, located four miles away.

The postmaster position became vacant when the postmaster passed away on October 16, 2009. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office was studied for possible closing or consolidation due to the following reasons: This office is vacant and earns 1.3 hrs per day. Canehill is an unincorporated community in Cane Hill Township, Washington County, Arkansas, United States. Canehill is on Arkansas Highway 45 about 25 miles (40 km) southwest of Fayetteville and 7 miles (11 km) east of the Oklahoma border. Considered a postal designation (ZIP code 72717), the population of the ZCTA was 847[1] at the 2000 census. It is part of the Fayetteville-Springdale-Rogers, AR-MO Metropolitan Statistical Area.

The Canehill Post Office, an EAS-55 level, provides service from 08:30 - 15:00 Monday - Friday, 08:30 - 12:00 Saturday and lobby hours of 24 hrs on Monday - Friday and 24 hrs on Saturday to 191 post office box or general delivery customers and 329 delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged three transaction(s) accounting for three minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by highway contract route service. Office receipts for the last 3 years were: \$15,318 (40 revenue units) in FY 2008; \$10,284 (27 revenue units) in FY 2009; and \$7,905 (21 revenue units) in FY 2010. There were no permit mailer(s) or postage meter customer(s).

On June 22, 2011, representatives from the Postal Service were available at Old Canehill College Building to answer questions and provide information to customers. 44 customer(s) attended the meeting.

On June 09, 2011, 379 questionnaires were distributed to delivery customers of the Canehill Post Office. Questionnaires were also available over the counter for retail customers at the Canehill Post Office. 94 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 15 favorable, 49 unfavorable, and 30 expressed no opinion.

When this final determination is implemented, delivery and retail services will be provided by the Lincoln Post Office, an EAS-18 level office. Window service hours at the Lincoln Post Office are from 9:00 to 4:00, Monday through Friday, and 8:30 to 10:30 on Saturday. There are 571 post office boxes available.

The proposal to close the Canehill Post Office was posted with an invitation for comment at the Canehill Post Office and Lincoln Post Office from June 29, 2011 to August 30, 2011. The following additional concerns were received during the proposal posting period:

- | | |
|---|--|
| <p>1. Concern:</p> <p>Response:</p> | <p>Customers were concerned about having to travel to another Post Office for service.</p> <p>Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.</p> |
| <p>2. Concern:</p> <p>Response:</p> | <p>Customers were concerned about mail security.</p> <p>Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.</p> |
| <p>3. Concern:</p> <p>Response:</p> | <p>Customers were concerned about senior citizens.</p> <p>Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.</p> |
| <p>4. Concern:</p> | <p>ramblings</p> |

Response:

no address given

Some advantages of the proposal are:

1. The rural and contract carriers may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBUs can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

Taking all available information into consideration, the Postal Service concludes this final determination will provide a maximum degree of effective and regular postal services to the community.

II. EFFECT ON COMMUNITY

Canehill is an unincorporated community located in WASHINGTON County. The community is administered politically by Washington County. Police protection is provided by the Washington County. Fire protection is provided by the Lincoln Fire Dept. The community is comprised of self-employed, farmers and those who commute to work at nearby communities and may work in local businesses.

Businesses and organizations include: Canehill Pres Church, Canehill Car Lot Canehill Kite Festival AEMTA Vendors . Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Canehill Post Office will be available at the Lincoln Post Office. Government forms normally provided by the Post Office will also be available at the Lincoln Post Office or by contacting your local government agency.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

- | | |
|---|--|
| <p>1. Concern:</p> <p>Response:</p> | <p>Customers expressed concern for loss of community identity.</p> <p>A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the Community name and ZIP Code in addresses.</p> |
| <p>2. Concern:</p> <p>Response:</p> | <p>Customers were concerned about the loss of a gathering place and an information center.</p> <p>Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.</p> |
| <p>3. Concern:</p> <p>Response:</p> | <p>Customers felt the loss of a Post Office would have a detrimental effect on the business community.</p> <p>Businesses generally require regular and effective postal services, and these will always be provided to the community. Since the suspension of service, there has been no indication that the business community has been adversely affected. Questionnaire responses revealed that customers will continue to use local businesses if the Post Office is discontinued.</p> |

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this final determination will not adversely affect the community.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster passed away on October 16, 2009. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. Since the postmaster vacancy an OIC has been installed to operate the office.

IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 36,500 with a breakdown as follows:

Postmaster Salary (EAS-55, No COLA)	\$ 23,026
Fringe Benefits @ 33.5%	\$ 7,714
Annual Lease Costs	<u>+ \$ 5,760</u>
Total Annual Costs	\$ 36,500
Less Annual Cost of Replacement Service	<u>- \$ 0</u>
Total Annual Savings	<u>\$ 36,500</u>

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

This is the final determination to close the Canehill, AR Post Office and provide delivery and retail services by highway contract route service under the administrative responsibility of the Lincoln Post Office, located four miles away.

The postmaster passed away on October 16, 2009. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. The workload has declined. Effective and regular service will continue to be provided by highway contract route service.

The Canehill Post Office provided delivery and retail service to 191 PO Box or general delivery customers and 329 delivery route customers. The daily retail window transactions averaged three. There are no permit mailers or postage meter customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a Post Office for service. The Postal Service will save an estimated \$36,500 annually. A disadvantage to some will be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this final determination is warranted.
